Subject: Question about oversight of BP facility in Whiting

Hi Pete -

I'm Brett Chase with the Better Government Association and I previously was working with Francisco on questions about the (past, present, future) oversight of the BP refinery in Whiting.

Can you give me a call at 312 821-9033 please?

At Francisco's request, I provided him with a number of written questions more than a week ago. I have not been able to reach him since.

Best,

Brett
